Experts talk about how national disasters impact local wineries

WSBT

BARODA, MI — As those fires continue to damage vineyards throughout California, our local vineyards are finishing up their harvest. Which begs the question, do these fires impact local businesses? Wine experts aren't too concerned with the damage in California.

They say for those Golden State

Boiling river of red wine flows through Napa Valley as wildfires rage on
Metro.co.uk
A boiling river of wine was spotted flowing through Napa Valley as devastating wildfires continue to grip California. The bubbling alcohol smoldered under debris at the Paradise Ridge Winery in Santa Rosa — one of the hardest hit areas. Numerous wineries and vineyards have been destroyed in fires
