Education: a key tool for Wine in Moderation

Wine in Moderation

Following the Oenologists' training curriculum, a new resolution was adopted during the International Organisation of Vine and Wine (OIV)'s General Assembly that took place in Bulgaria last month; introducing Wine in Moderation in the training curriculum of Sommeliers.

Metschnikowia pulcherrima Influences the Expression of Genes Involved in PDH Bypass and Glyceropyruvic Fermentation in Saccharomyces cerevisiae

Frontiers

Previous studies reported that the use of Metschnikowia pulcherrima in sequential culture fermentation with Saccharomyces cerevisiae mainly induced a reduction of volatile acidity in wine.
