Domestic Tourism Is Proving to Be a Lifeline for Many Wineries

Vinepair

Most producers are reporting decreased tourism numbers for the 12-month period ended in July, which is particularly difficult for businesses that rely heavily on direct-to-consumer (DTC) sales.

Glass half empty: Italy, France seek premium wine output cut as virus hits sales

Reuters

Leading producers Italy and France are looking to slash premium wine output from the upcoming harvest to shore up prices after the coronavirus pandemic hammered sales and led to a glut of stock.

Winemakers, distillers kept the drinks flowing during COVID-19 lockdowns

The young witness

When bars, restaurants and cellar doors were slammed shut during coronavirus lockdowns, ingenuity helped winemakers and distillers to survive.

Growth in online sales likely to be legacy of COVID-19

Wine Australia

There is considerable uncertainty surrounding the extent and duration of the COVID-19 pandemic in health and economic terms.
