## INTERNATIONAL CODE OF OENOLOGICAL PRACTICES Aromatisation

# **II.3.5.2** Aromatisation

#### Definition :

Addition to wine of artificial or natural aromatic substances.

### Objective :

To improve aromatic characters of wine or to confer such characters to wines that are devoid of them.

### Prescriptions :

The objectives are achieved by addition:

- a) Of natural or artificial flavourings;
- b) Of extracts of natural aromatic substances.

#### Recommendation of OIV :

Not admitted
