### INTERNATIONAL CODE OF OENOLOGICAL PRACTICES

## Partial dehydratation of wines

# **II.6.1.11 Partial dehydratation of wines**

#### Definition:

Wine concentration by water removal.

#### **Objectives:**

Increasing the alcoholic strength and the structure of aromatised wines, beverages based on vitivinicultural products and wine-based beverages.

### **Prescription:**

- a) The target can be reached through several techniques, called subtractive enrichment techniques, provided by the International oenological Code
- b) The final alcoholic strength of aromatised wines, beverages based on vitivinicultural products or wine-based beverages must respect minimum and maximum limits fixed by its Definition in this Code.

#### Recommendation of the OIV:

Admitted for aromatised wines, beverages based on vitivinicultural products and wine-based beverages.
