

## **II.3.5.2 Aromatisation**

**Definition :**

Addition to wine of artificial or natural aromatic substances.

**Objective :**

To improve aromatic characters of wine or to confer such characters to wines that are devoid of them.

**Prescriptions :**

The objectives are achieved by addition:

- a) Of natural or artificial flavourings;
- b) Of extracts of natural aromatic substances.

**Recommendation of OIV :**

Not admitted
