4.7 Presentation of the country of origin

The information is given in either a nominal or adjective form associated with the word wine or in another way as such as in expressions "produce of".

In the two cases referred to at article 2.5.2, use should be made of the indications:

- “blend of wines from …”, or another similar expression, where the wine is a result of a blend of wines from different countries; or
- “wine produced in … from grapes harvested in …”, or another similar expression, where the wine is vinified in a country different to that in which the grapes were harvested.

In all cases, the countries must be displayed in decreasing order of the proportions of the assemblage.
