

## **RESOLUTION OENO 4/2003**

### **ACIDIFICATION**

THE GENERAL ASSEMBLY,

HAVING CONSIDERED the work of the expert group “Wine Microbiology” and “International Code of Oenological Practices”,

HAVING ALSO CONSIDERED the resolution Oeno 4/2002 on acidification of musts by *Saccharomyces* adopted at the 82nd OIV General Assembly in Bratislava (Slovakia);

DECIDES:

BASED UPON THE PROPOSAL by Commission II “Oenology”, to modify in the “International Code of Oenological Practices” the sheet 2.1.3.1 – Acidification

## **PART II**

### **Chapter 2: Musts**

#### **2.1.3.1 Acidification**

Add the following prescription:

- d) by microbiological acidification
