INTERNATIONAL ORGANISATION OF VINE AND WINE

Intergovernmental organisation
Established by the international agreement of 3 April 2001

JOB DESCRIPTION

Position	Location	Date of commencement	Duration of the Contract
Intern Unit Oenology and Methods of Analysis as part of a university agreement	Dijon, OIV Headquarters	15/11/2024	5 months Temporary duration

Context

The OIV is an Intergovernmental Organisation that establishes scientific and technical standards for the vine and wine sector.

Job description

Under the authority of the Director General and the supervision of the Head of Unit Oenology and Methods of Analysis, the Intern will work on the LABWORK project (the OIV laboratory network specialized in wine and vitivinicultural products to share information related to methods of analysis and conduct interlaboratory studies) and on the subject of dealcoholization of wines.

More specifically, the Intern will oversee the following tasks:

a. Assistance in the organization and conducting inter-laboratory studies via the LABWORK platform,
b. Identification of laboratories of interest to the OIV and the LABWORK network,
c. Creation of documents on the operation and advantages of integrating to the LABWORK network,
d. Review the current state of the analysis methods published in the Compendium of International Methods of Analysis to increase Type II or III methods,
e. Definition of a general scenario concerning the operation and future development of the LABWORK network,
f. Support the discussions relating to the draft resolution on the specificity of dealcoholised and partially dealcoholised wines,
g. Evaluate current oenological dealcoholisation practices on the market based on their impact on wine quality and its environmental impact,
h. Increase public understanding of the definitions of OIV and low alcohol products,
i. Write a report,
j. Carry out any other related task and secretarial work that might be assigned.

Recruitment conditions

1 - Working hours: 39-hour week

2 - Internship allowance: 586.00 € per month, plus specific compensation scheme (contribution to public transport tickets and meals)

Qualifications required

1 - Be a citizen of one of the member countries of the OIV
2 - Undergraduate student
3 - Excellent knowledge of Office package (Excel, Power point, Word)
4 - Excellent knowledge of English and/or French
5 - Good analytical and writing skills
6 - Knowledge of the wine sector and basic notions of oenology and methods of analysis
7 - Versatility and ability to manage work according to priorities
8 - Ability to work in an international team, respect for hierarchy, discretion and good interpersonal skills inside and outside the OIV
